## **Outdoor Wedding Ceremony**

The front lawn overlooking Lake St. Clair is an exquisite location for a wedding ceremony. With views of Lake St. Clair and the backdrop of our historic campus your wedding will be memorable. Located on our grounds one can find a quieter, intimate area for a ceremony or utilize the "center" of our lawn where there is a larger natural opening in the trees for a larger guest list. Our campus is a "blank canvas" to create the wedding of your dreams. Large or intimate, the natural setting is both elegant and rustic.

The Academy provides an on-site wedding coordinator for your rehearsal and ceremony to insure everything runs smoothly. We also make available rooms for the wedding party and other indoor facilities for your use during your event as well. The entire 20 acre campus and grounds can be used for photography & videography throughout the one hour rehearsal and the reserved time for the wedding.

The Parlor and conference room in our Lakeshore Building is available for use for the wedding party prior to the wedding. For larger wedding parties, and families who may want their own space during the event, the Parlor is approximately 39' x 24' and its classic décor provides a unique setting for photography as well.

The goal in booking an outdoor ceremony is to hold it outdoors. The Academy does not have a designated "back up" indoor site for ceremonies, should rain be forecast for the day of the wedding. One may reserve a tent from a local tent vendor should the forecast indicate rain. Of course, if inclement weather quickly arises, our buildings are open for the safety of your wedding party and guests, with limited areas to hold the ceremony.

## **Outdoor Tented Receptions:**

Outdoor tented receptions are available to book during the seasonal months on our historic campus with views of Lake St. Clair and our historic buildings as a backdrop. The beautiful natural setting allows for flexibility in terms of tent size and décor. Receptions on site have an extended reservation time period of 6 hours. We are limited to 200 guests for a tented reception.

The Grosse Pointe Academy is proud to have established relationships with trusted vendors to create an exceptional event for your wedding day and reception. Couples contract directly with these vendors (tent, rentals and catering) and we insure coordination of delivery and set up needs.
