Together we can!

Together we can!

Together we can...

- maintain a safe learning environment for our students and faculty.
- provide up-to-date technology required to deliver a seamless learning experience.
- continue to provide and enhance our strong Montessori foundation.
- provide a challenging curriculum which allows every student the opportunity to excel.
- offer a wide variety of real-world electives to prepare our students for their future endeavors.

With your help, and by coming together as a community to support the school we hold dear in our hearts, we can help ensure the future of The Grosse Pointe Academy and the educational experience that truly is an advantage that lasts a lifetime.

THANK YOU FOR YOUR SUPPORT!

WHY GIVE TO THE ACADEMY FUND?

The Academy Fund is our annual appeal to support the students of The Grosse Pointe Academy and is the most important fundraising effort of the year. It provides critical support which allows GPA to provide an excellent academic curriculum complemented by the arts, athletics, STEAM, foreign language, Christian Life, and community service. It also allows GPA to maintain its buildings, classrooms, and beautiful historic lakefront campus. All of these elements give our students an advantage that lasts a lifetime.

This year, the Academy Fund is more important than ever as the school's costs have increased in order to maintain a positive and safe environment for our students, faculty, and staff. Moreover, GPA has invested in new technology and resources to ensure our students can continue their studies without interruption while society continues to navigate through the impacts of COVID-19.

We are all embracing a new normal, and through the generous financial support of our GPA community, we will continue to foster an environment where each child will thrive and acquire the skills needed to succeed in our ever-changing world.

We invite parents, grandparents, past parents, alumni, faculty, staff, and friends of the Academy to help us reach our goal of raising \$200,000 this year for the Academy Fund.
